Occupational field

**International Consultancy on Forestry and Non-Wood Forest Products (NWFP)
Supply Chain management, Technology Innovation and Business Incubator based on NWFP**

Work experience

From Jan. 2012 since now
Occupation or position held
Main activities and responsibilities

Free-Lance Forest Consultant (NOW-Not Only Wood consultancy)

Self-employed

International Consultants for companies producing, processing and selling Forest Food and more in general Non-Wood Forest Product (Technology development, Logistics, Business Plan Develop); Contract design for Environmental Services commercialization (Contract based scheme for environmental services like Recreation base on NWFP, Biodiversity and Water Quality); NWFP Business Incubation (mainly forest food based); Forest Management Planning (Traditional Forest Planning, Truffle-Based, Wild Mushroom-Based, nuts-based, NWFP-based or multi-target); forest food processing machine: design and construction in partnership with several companies; Consultancy on International Market and Marketing (FAO); Design of National Plan for economic exploitation of NWFP (experience have been gained in Russia, Uzbekistan, Bhutan, Pakistan, Finland, Italy, Spain, Portugal, Greece) mainly on forest food (mushrooms, berries, nuts) and Medicinal and Aromatic Plants (along the all actors involved in the Chain of Custody- organic and non-organic), Technical consultation on NWFP harvesting rights and taxation, technical consultation for writing national and international projects and public tender design.

(NOTE: according to the agreements I took with my customers I have not the right to report any brand, or information that might provide bring back to them, further information can be provide in face-to-face interview)

Name and address of employer
Type of business or sector

Via Fogazzaro 14, 36030 Caltrano (VI)
Consultant

From Apr. 2013 to Nov. 2016
Occupation or position held
Main activities and responsibilities

University Continuative External Collaborator

Junior Researchers

Project implementer and developer; Multi-scale NWFP supply chain economic assessment; NWFP supply chain modelling; Environmental econometric; GIS modelling; Reporting; Trade analysis; Social and Economical Network Analysis (SNA models)

Name and address of employer

Università degli Studi di Padova (University of Padua) – Dip. TeSAF. Resp.: Prof. Davide Pettenella.
Viale dell'Università 16, 35020 Legnaro (Padova) - Italy

Type of business or sector

Applied Research

From Jan. 2009 to Aug. 2009
and from Jan. 2008 to Sept. 2008
Occupation or position held
Main activities and responsibilities
Name and address of employer

Dalla Valle Oy

Marketing and development consultant

New marketing strategy development, accounting, international distribution, know-how development.

Mr. Lorenzo Dalla Valle, Eteläkaari 6, 80910 Kulho, Finland.

Contacts: telephone: +358 (0)500 297 811, e-mail: dalla.valle@kolumbus.fi, website: www.dallavalle.fi

Type of business or sector

Non-Wooden Forest Product: mushroom business. Agro-forestry sector

Education and training

From Jan. 2010 to Dec. 2012

Ph.D. Student in Production Engineering and Real Estate Appraisal. Thesis title: Payment for environmental services (PES) as economic tool to enhance the environmental service market: the case of non-wood forest products and services in the Veneto's mountain forests.

Principal subjects/occupational skills covered

Research areas and Ph.D. subjects:

- Economy, assessment and management of Non-Wood Forest Products (Mushrooms, Cones, Nuts, Truffles, etc.) and Environmental service (Carbon storage, Recreation, Biodiversity maintenance and Water quality enhancement);
- International trade (time series, network and international supply chain analysis);
- NWFP governance assessment of economic performance.

Field Application:

- Policy maker support for NWFP management and property rights enforcement (i.e. Regional Law 07/2012 on wild mushroom management was implemented thanks to the PhD outputs – leading system in the world);
- PES scheme development based on NWFP provision (i.e. creation of new forest enterprises);
- Forest contracting (i.e. fiscal accounting for NWFP);

Name and type of organization providing education and training

University of the Study of Padua, Dep. of Management and Engineering, Stradella S. Nicola, 3 – 36100 Vicenza (IT). Ph.D. School Director prof Cipriano Forza. Contacts: tel. 0444/998715; e-mail: (Ph.D. School Director) cipriano.forza@unipd.it; (secretary) gaetana.esposito@unipd.it

Level in national or international classification

Ph.D. in Real Estate Appraisal

From Sept. 2006 to Dec. 2008

MSc in Environmental and Forestry Science (mark 110/110 and honours). Thesis: International supply chain of Non-Wood Forest Products: the case of Mushroom in Finland (6 months).

From Sept. 2003 to Sept 2006

Bachelor in Environmental and Forestry Science (mark 110/110 and honours, best student of the year). Thesis: Hazelnut Forest: entomology and management (19 months), with a focus on the description of fauna related to hazelnut tree.

Title of qualification awarded

Forest engineer (EU), Forester (IT)

Principal subjects/occupational skills covered

General: Forest economy and marketing, forest and rural management, forest and rural mechanization, silviculture, Alpine and Mediterranean crop production and hydraulic and hydrology.

Occupational:

- Forest economy and marketing aimed to wood and NWFP (i.e. wild mushroom, truffles, berries, medicinal and aromatic plants, tannins), forest and enterprise accounting, investment analysis, business plan, forest product certification, trade mark registration and branding.
- Forest management Alpine, Boreal, Mediterranean and sub-tropical forests through GIS software and access database, impact valuation of forest and plantation management.
- Wood and NWFP procurement management (i.e. broker)

Name and type of organization providing education and training

University of the Study of Padua, Agripolis, viale dell'Università 16, 35020 Legnaro (PD) tel. 049.827.2535 e-mail: nicoletta.redigolo@unipd.it

Level in national or international classification

International code: LM73
National code: Class 74/S

From Sept. 1997 to September 2003

Engineer surveyor (mark 100/100)

From Sept. 1999 to September 2001

Specialized mechanical worker (mark 94/100)

Title of qualification awarded

Engineer surveyor (EU), "Perito meccanico" (IT)

Principal subjects/occupational skills covered

Occupational:

- Mechanical design
- Automation (pneumatics: oil, air, electric)
- Certification (ISO 9001, Health and safety at work - law 626/94)

Name and type of organization providing education and training

Technical and Industrial State Institute (ITIS) De Pretto, via XXIX Aprile 40, 36015 Schio (VI). Tel. +39 0445 520515, fax. +39 0445 531074

(*) Common European Framework of Reference (CEF) level

Social skills and competences	- High adaptation to multicultural environments gained by international work experiences and within an international project founded by EU 7thFP (NEWFOREX; STAR-TREE; industry project). - Good communication skills with international customers and suppliers. - Team work oriented within complex projects and multi-stakeholder environments
Organizational skills and competences	- Business Incubator and Business Plan Designer based on Non Wood Forest Products (mainly, wild mushrooms, wild berries, pinenuts, hazelnuts, walnuts, chestnuts, medicinal and aromatic plants). Experience in the field as consultant for NWFP policies: Olonets in RUSSIA; Catalonia and Castilla y Leon in SPAIN; Joensuu in FINLAND; Veneto, Emilia Romagna, Molise, Lazio, Trentino Alto Adige, Sardegna and Ministry of Agriculture in ITALY, Tashkent and Fergana Valley in UZBEKISTAN. Experience as remote advisor: Gilgit in PAKISTAN; Pemagatshel in BHUTAN, Kathmandu in NEPAL. - Working group oriented at international level with private and public sector. - Good sense of practical organization in logistic and input organization.
Technical skills and competences	- Trade analysis (descriptive, time series, network based, gravity models) with the use of the main trade databases (COMTRADE, WITS, GPTAD, WTO, EUROSTAT) - Knowledge on harvesting and property rights for NWFP - Knowledge on product and company taxation for primary sector in general - Knowledge on public procurement laws (D.Lgs. n.50 of 18th April 2016) - Traditional forest silviculture techniques with special attention to forest restoration (Univ. of Padua & professional exp.) - Special silviculture techniques for NWFP (i.e. mushroom, truffle, pinenuts, chestnuts, hazelnuts) (Univ. of Padua & professional exp.) in forest and cultivation of domesticated NWFP in agriculture land. International supply chain management and logistics of NWFP. - Forest and environmental contracting (Professional exp.) - Marketing of mountain products (ISARA University in Lyon, France and professional exp.) - Marketing on procurement (or reverse-marketing) (professional exp.) - Business incubator and development (legal, financial, business design) (professional exp.) - Forest Certification (PEFC, FSC, ISO14000) - Health and safety at workplace (safety Italian law 626/94) - General mechanical design, Pneumatic cabler and designer (air, oil and PLC basic programming), Welding (all typologies), Mechanical machine operators (automatic ones).
Computer skills and competences	- Statistic software: R, Nlogit, Ngene, SPSS and Stata - Network analysis software: R (igraph package), Nodexl - ArcGIS, Qgis and CAD3D basic and advance (CIRGEO-Univ. of Padua and self-learning) - GPS mono e doble signal, RTK net, net compensation through software MERCURIO (TopCom©) - Good knowledge of Microsoft OFFICE tools (Word, Excel, Power Point, Access, Outlook)
Artistic skills and competences	- Truffle and wild mushroom gathering
Other skills and competences	- Entomology, Mycology (member of the mycological association AMB-Thiene) and Truffle cultivation in multi purpose plantations (hop hornbeam, small-leaved lime, oak and hazelnut plantations) - Wild Birds Breeding and wild game planning - Photography (personal interest improved with private courses) - Voluntary for the Ol'Kalau Children Hospital in Africa and North Kinangop as helper for the local worker training on prosthesis production and workshop management.
Driving license	- Category B
Qualification	- Qualified Agronomist and Forest Technician at the National Forestry Professional Association (CONAF – Vicenza): subscription number 364, released in the year 2012.
